Before proceeding with the verification process, we first ask you to provide and verify your email address. Once your email is verified, you'll then be guided through the steps to verify your identity.

This involves uploading images of the front and back of your identification document, such as your ID card, passport, or driver's license. Additionally, you'll need to provide a selfie while holding your identification document next to your face.

Rest assured, all information provided during the verification process is handled with the utmost care and confidentiality. We use encrypted methods to ensure the safety of your data throughout the process and beyond.

Our platform is designed to provide a secure environment for all users, and we continuously update our security protocols to stay ahead of potential threats. Your experience on FansyMe is our top priority, and we strive to make it both enjoyable and secure.

Please note that you must be at least 18 years old or the required local age to be eligible to use the platform.
