What payout options are available?

We offer several payout options to cater to your preferences and convenience:

1. **Bank Transfer:** Choose any bank worldwide for direct deposit.
2. **Paxum:** Opt for Paxum for swift and hassle-free transactions.
3. **Cryptocurrency:** Select this option if you prefer to receive payouts in cryptocurrency. Please ensure your crypto address and network are accurate to avoid any potential losses. We do not account for inaccuracies in provided addresses.
4. **Cosmo (Coming Soon):** Stay tuned for the upcoming addition of Cosmo as a payout option.

How should I ensure the accuracy of my cryptocurrency address?

When selecting the cryptocurrency payout option, please double-check your crypto address and network to prevent any losses. We do not take responsibility for inaccuracies in provided addresses.
