Vouchers & Discounts

Promotion & Vouchers · https://help.fansyme.com/docs/promotion/vouchers-discounts/

This post is also available in: Deutsch (German)

FansyMe offers different types of vouchers to help you attract new subscribers and increase engagement.

FansyMe Vouchers

We provide vouchers that you can share on your social media, including:

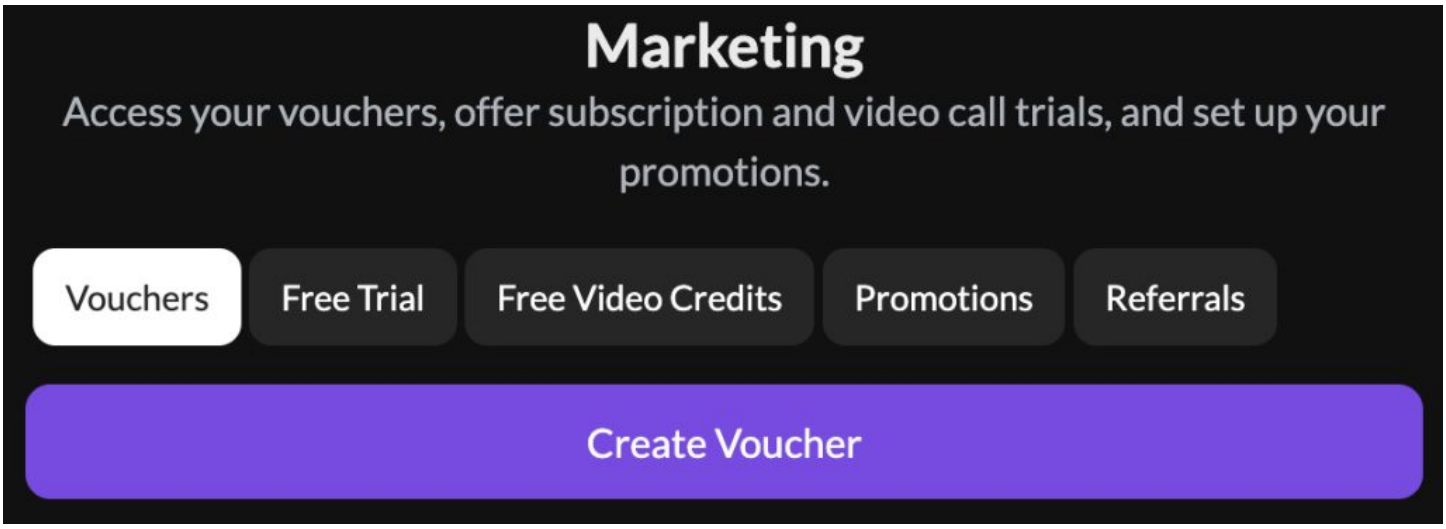

- **Deposit Vouchers** – Give fans extra value when they add funds.
- **Percentage Vouchers** – Offer a discount on subscriptions or content purchases.

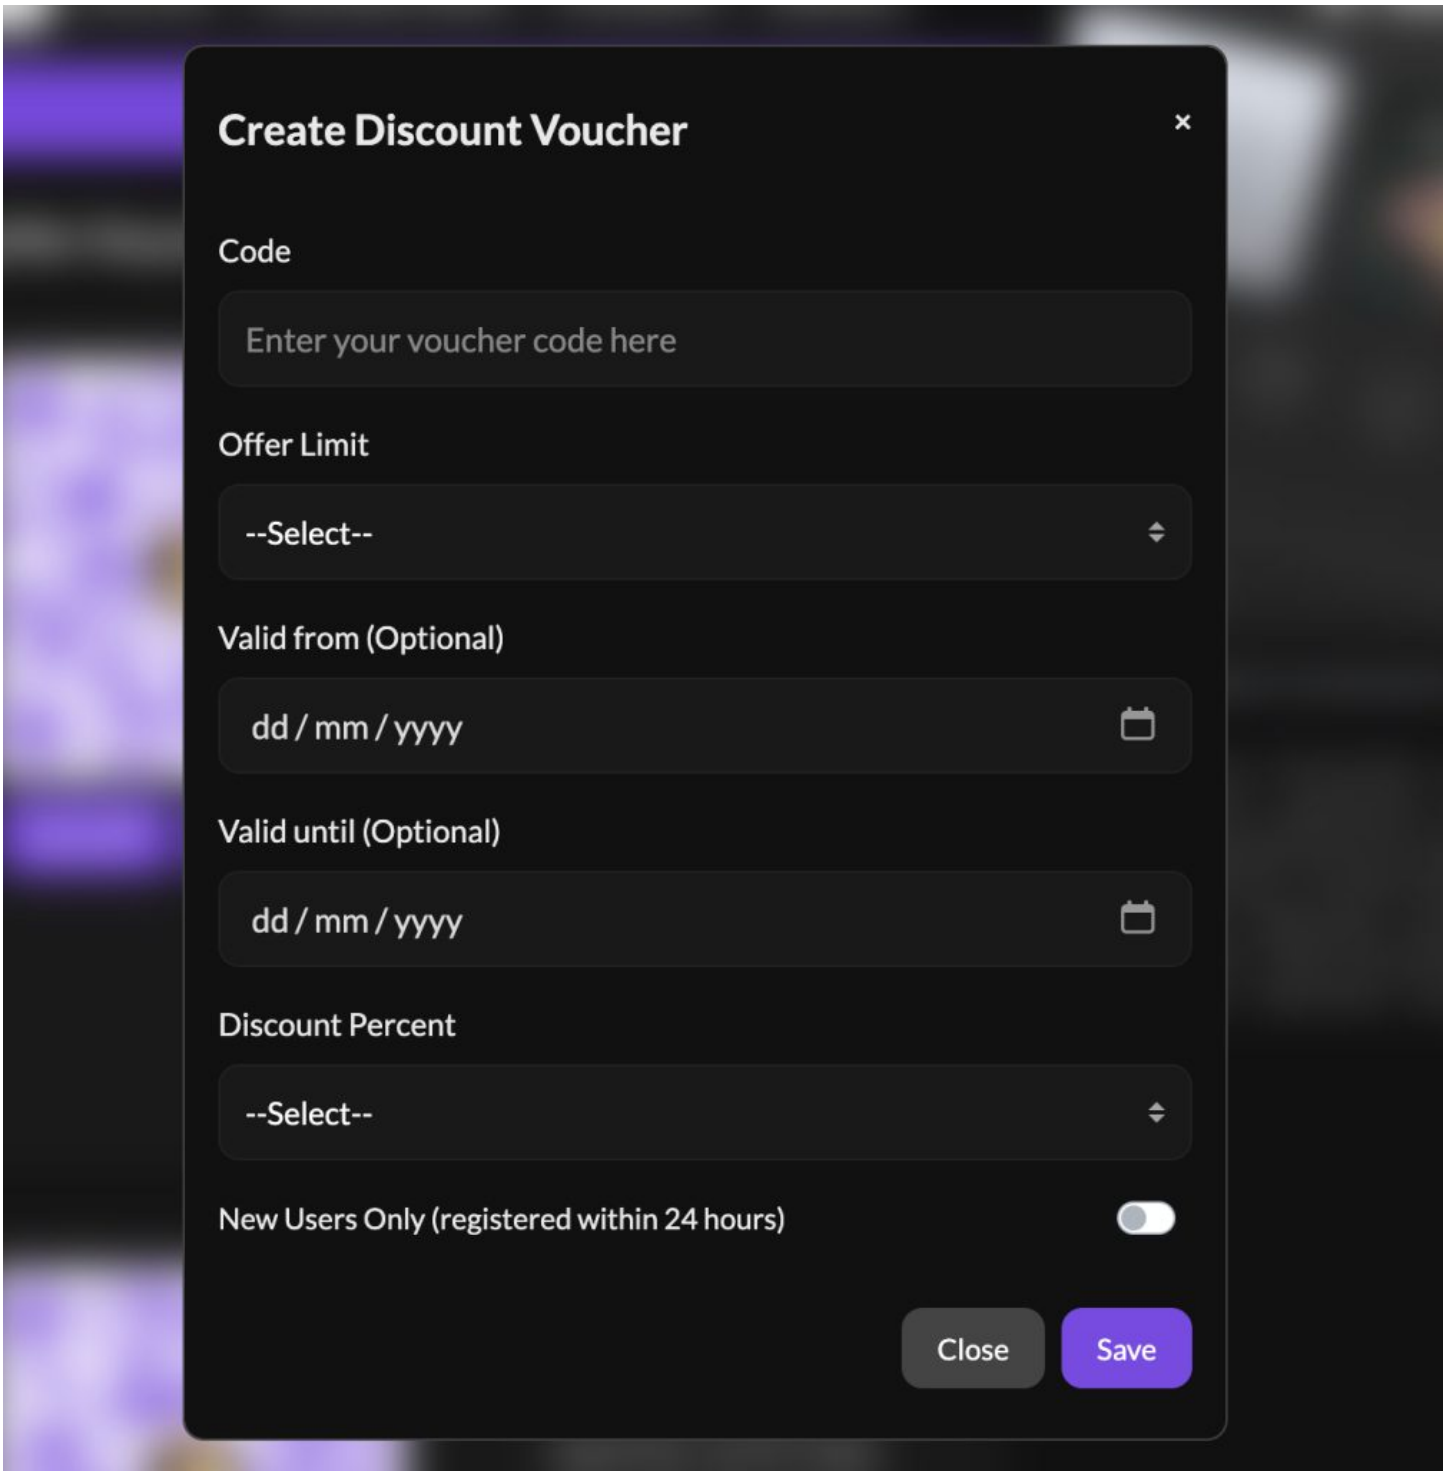

Custom Vouchers

You can create your own fully customisable vouchers with the following options:

- **Code Name** – Choose any name for your voucher (e.g., `CHRISTMAS2025`).
- **Offer Limit** – Set how many people can use the voucher before it expires.
- **Valid From & To** – Restrict the voucher to specific events or time frames (optional).
- **Discount Percentage** – Set the discount amount to apply to subscriptions or purchases.
- **New User Restriction** – Limit the voucher to users who signed up in the last 24 hours.

These customisation options let you run exclusive promotions and reward your audience in a way that fits your strategy.

Marketing
Access your vouchers, offer subscription and video call trials, and set up your promotions.
